Codes that name their character set

A code that names no character set is read in the one the scanner assumes. Each code here names its own, so Greek comes back as Greek, Cyrillic as Cyrillic.

Grüße aus Köln
character set 3

Καλημέρα
character set 9

Prix 12 €
character set 17

Łódź
character set 4

Москва
character set 7

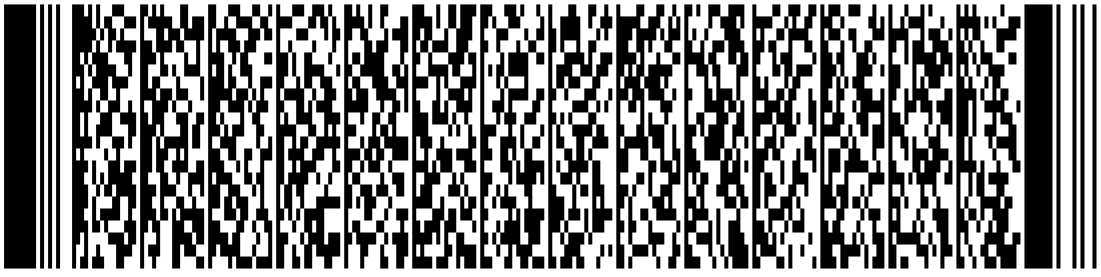

TOKYO 2026
character set 20

Café 3 €
character set 23

ASCII 2026
character set 27

BIN 7
character set 899
