Contents

Blue text is clickable; black text is not.

1. What a link is

2. What a link draws

3. Where a link goes

https://example.org/hqf-pdf

1. What a link is

Back to the contents

One link covers this line
and this one, and nothing between them.

The link above covers 2 areas.

Back to the contents, by the name it is filed under

2. What a link draws

Back to the contents

Five borders a link can draw, each read back from the link:

solid, 1 pt, 0.0 0.2 0.8

dashed, 1 pt [3 2], 0.0 0.2 0.8

bevelled, 2 pt, 0.0 0.2 0.8

inset, 2 pt, 0.0 0.2 0.8

underlined, 1.5 pt, 0.0 0.2 0.8

3. Where a link goes

Back to the contents

Back to the contents, the page shown eight ways:

- whole page
- full width
- full height
- a rectangle
- whole drawing
- drawing width
- drawing height
- fixed place

Each of these links carries the flags 732.
