Nothing set: the shape a flow has by default.

The deposit is held on the account named overleaf and is returned within thirty days of the keys being handed back.
Deductions are itemised in writing, and anything not itemised is not deducted.

Room left above and below each paragraph.

The deposit is held on the account named overleaf and is returned within thirty days of the keys being handed back.

Deductions are itemised in writing, and anything not itemised is not deducted.

First line indented; the paragraphs are told apart by that alone.

The deposit is held on the account named overleaf and is returned within thirty days of the keys being handed back.
Deductions are itemised in writing, and anything not itemised is not deducted.

Justified, with the last line of each paragraph centred.

The deposit is held on the account named overleaf and is returned within thirty days of the keys being handed back.
Deductions are itemised in writing, and anything not itemised is not deducted.

First line hung out to the left of the block.

The deposit is held on the account named overleaf and is returned within thirty days of the keys being handed back.
Deductions are itemised in writing, and anything not itemised is not deducted.

First baseline on the top of the capitals, last line clear of its descenders.

The deposit is held on the account named overleaf and is returned within thirty days of the keys being handed back.
Deductions are itemised in writing, and anything not itemised is not deducted.

Against the top of its box.

Keys are handed back at the office, against a signed receipt.

Centred in its box.

Keys are handed back at the office, against a signed receipt.

Against the bottom of its box.

Keys are handed back at the office, against a signed receipt.

First baseline one ascender down; the block ends on its last baseline.

The deposit is held on the account named overleaf and is returned within thirty days of the keys being handed back.
Deductions are itemised in writing, and anything not itemised is not deducted.

Letters outlined in a hairline and left hollow.

The deposit is held on the account named overleaf and is returned within thirty days of the keys being handed back.
Deductions are itemised in writing, and anything not itemised is not deducted.

First baseline 18 points down, and 9 points kept under the last.

The deposit is held on the account named overleaf and is returned within thirty days of the keys being handed back.
Deductions are itemised in writing, and anything not itemised is not deducted.

Letters filled, and outlined over to thicken them.

**The deposit is held on the account named overleaf and is returned within thirty days of the keys being handed back.
Deductions are itemised in writing, and anything not itemised is not deducted.**

Justified: a word that does not fit goes to the next line, and the line it leaves is spread.

The deposit is held on the account named overleaf and is returned within thirty days of the keys being handed back.
Deductions are itemised in writing, and anything not itemised is not deducted.

Justified and tightened: the same word stays, its line closed up a little.

The deposit is held on the account named overleaf and is returned within thirty days of the keys being handed back.
Deductions are itemised in writing, and anything not itemised is not deducted.
