Picture	Item	Reference	Price, €
	Wide banner Nine hundred pixels across and half as tall, drawn against the top left of its cell.	BN-900	148.00
	Photograph Four to three, in the middle of its cell — the room it does not fill is shared either side.	PH-160	24.50
	Square mark As tall as it is wide, against the bottom right. The height runs out first, so nothing is left below it.	SQ-96	9.90
	Two-colour rule Sixteen pixels by eight, drawn as large as the cell allows: a picture is fitted to its cell, not to its own pixels.	RL-16	3.75
