Takings by branch, quarter by quarter

Every figure below carries the headings that reach it: the branch it stands beside, the quarter it stands under, and the year over the four quarters together. Nothing here was written by hand — the sheet says which rows and which column hold its headings, and the engine works out the rest. Read aloud, the first figure of the first line is announced as the town, the first quarter, the year, and then the amount.

Branch	2026			
	First quarter	Second quarter	Third quarter	Fourth quarter
Ashcombe	118 400	126 900	131 250	142 800
Barrowfield	94 200	88 750	96 400	103 900
Coldharbour	151 300	148 200	155 900	167 400
Dunwater	72 600	79 450	81 200	84 750
Eastmarch	133 800	129 400	138 600	145 100
Fernbridge	86 950	91 300	89 700	97 250
Greyharbour	164 500	171 200	168 900	179 600
Hollowmead	58 300	61 750	64 200	66 800
Ivybridge	107 600	112 400	109 850	118 300
Kelburn	123 900	118 700	126 500	134 200
Langmere	69 400	73 100	71 850	76 900
Marchford	142 700	147 300	151 600	158 400
Netherby	81 200	84 900	87 450	92 100
